Dedication

For guidance that will aid us in becoming better citizens, for knowledge of our world of yesterday and today, for the understanding and unforgettable friendship he has shown students during the past years, we, the 1964 Echo Staff, present this, our annual, with deep appreciation and sincerity, to our history teacher, Mr. Philip Smith.

ADMINISTRATION

James L. Pritchard

Superintendent

Our congratulations to the Senior Class on reaching a milestone in preparation for taking its place in a complex world. We hope, if you have learned nothing else, the necessity of continuing your education has been impressed upon you.

For the remainder of the student body, we wish continued success as you return next year to continue your pursuit of knowledge.

Walter Ferrando

Administrative Assistant

The district continues to expand in its building program. Our new athletic field will be usable this year. We have the additions to the Hoopa School with anticipated additions to come in some of our other schools as the growth demands. Our student growth is increasing at a slow but stable rate. It has been a pleasure through the years to watch the district grow with its new, modern, and permanent building program.

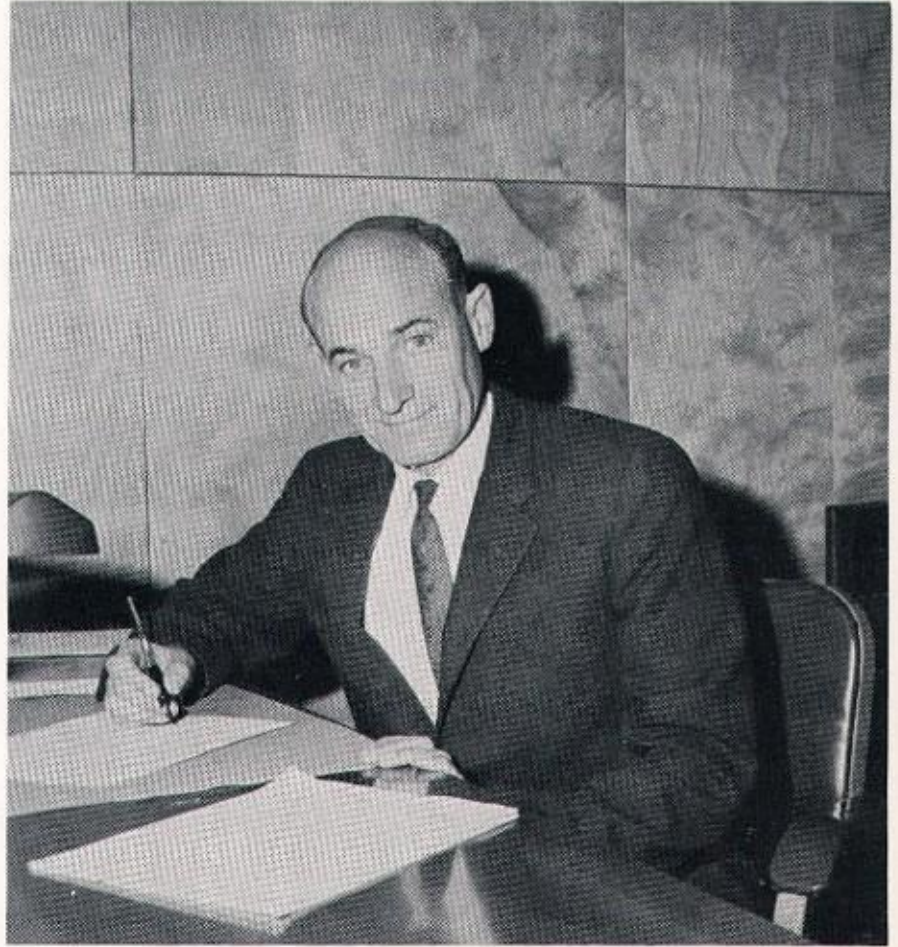

Kenneth C. Bortles

Principal

A thank you to those who have labored to capture something of the best of this school year. Although this book can present only a portion of the sum of happy memories, it will long serve as a pleasant reminder to the Graduating Class of 1964.

Congratulations!

Leo E. O'Donnell

Guidance Counselor

Vice Principal

It has been said that going to school should be a never-ending intellectual and social exploratory adventure. The question can well be raised as to whether in terms of Utopian dreams this might not best be adopted as a goal for the entire life of an individual and, indeed, the entire human race.

Jack Norton

Elementary Co-Ordinator

You students are the school's greatest and most valuable possessions. The whole future depends upon whether you succeed or fail.

Senior Class History

Now as we, the Class of 1964, look back on our past here at Hoopa High, we find many pleasant and wonderful memories to take with us on our journey through life.

In September of 1960, we entered high school knowing nothing of what our stay would be like. Determined to make the best of our high school career, we chose our leaders as follows: President, Laura Lee Grant; Vice-President, Wesley Roberts; Secretary, Barbara Turcotte; Treasurer, Florence Lowry; Student Council Representative, Jennifer Marshall; Sergeant-at-Arms, Dale McAllister; and Defense Attorney, Ronnie Bortles. In the fall of our Freshman year, our classmate Leona Jackson was crowned Homecoming Queen. During the spring, Laura Lee was crowned Sweetheart at the Sweethearts' Ball. Cheverne Case represented our class as candidate for Carnival Queen. We remember well the spirited days we spent beating on the drum while parading through the corridors. Mr. Abeyta assisted us to struggle through this first year. Our efforts were rewarded as we were presented the Class of the Year trophy.

Again in our second year we chose Laura Lee Grant our President, with Florence Lowry, Vice-President; Connie Arness, Secretary; Wayne Burroughs, Treasurer; Wesley Roberts, Student Council Representative; Jennifer Marshall, Alternate Representative; Ron Bortles, Court Defender; and Eric Wegner, Sergeant-at-Arms. Many of our classmates held different school positions. Jennifer and Laura Lee were cheerleaders; Florence Lowry, Barbara Turcotte, and Anna Crosswhite were Songqueens; Jennifer was H.D.N.I.A. Secretary; and James West was chosen All-County tackle in football. This was our year for royalty as Cheverne Case was crowned Homecoming Queen; Sue Brian, Carnival Queen; Gary Skidmore, King of the Sweethearts' Ball, Barbara Johnson, Orneriest Girl; and Laura Lee represented Hoopa High at the Silver Prom in Eureka. We mailed Homecoming invitations to the Alumni and did our best to promote school spirit. Proudly we accepted the Class of the Year trophy.

Under the supervision of President Jennifer Marshall, Vice-President Wesley Roberts, Secretary Cheverne Case, Treasurer Connie Arness, Defender Robert Brine, Student Council Representative Wayne Burroughs, Sergeant-at-Arms Dale McAllister and Leslie Angleton, our Junior year was one of hustling and bustling. Many hours were spent preparing for the successful prom entitled "Whisper of the Orient." Again we had outstanding student participation. Cheverne and Laura Lee were Cheerleaders, Florence a Songqueen, Jennifer the Student Body Secretary, Wesley the Student Body Treasurer, and Wayne Burroughs the Student Court Judge. For some unknown reason Wesley could be seen mowing lawns for the school and Ron Bortles could be found scrubbing skunk scents out of a certain pickup. Leona was chosen Carnival Queen and Jennifer was selected the Silver Prom Candidate. We were very proud of Eric Wegner and Ron Nelson who were selected for the All-County football team. Wayne and Jennifer were representatives to Boys' and Girls' State. The class as a whole worked together to bring us another successful year and the Class of the Year trophy. Hoopa High also won the Sportsmanship Blanket for the third consecutive year and was entitled to retire it.

Now as Seniors we see Laura Lee, Our President; Connie Arness, Vice-President; Barbara Johnson, Secretary; Sue Brian, Treasurer; Eric Wegner, Representative; Robert Brine, Court Defender; and a trio of Sergeant-at-Arms, James West, Ron Nelson, and Dale McAllister. Jennifer is our Student Body President. Assisting her are: Wayne Burroughs, Vice-President; Sue Brian, Treasurer; and Ron Bortles, Student Court Judge. Barbara Johnson is Head Cheerleader and Leona Jackson is one of the Songqueens. As Homecoming has passed for our last year, classmates Wesley Roberts and Laura Lee Grant became King and Queen. We also saw our candidate, Judy Rosenau, crowned Carnival Queen. We will always remember this last hectic year of money raising schemes intended for a class trip. The Class of 1964 sponsored a presentation by Charles Lampkin, and a play entitled, "The Night of January Sixteenth." Members of our class enjoyed the profitable pop bottle hunts, rallies, dances, and most of all the pride and priority of being Seniors.

Now as the day of graduation draws nearer, we are thankful to our teachers, principal, parents, and others for preparing us for adulthood and hope they will miss us as much as we will miss them.

Bonfire Rally

GIVE 'EM HECK, CHICKEN!

OOPS!

HOT PASTRAMI!

NOW?

HOW?

BURN THE ENEMY!

WAY OUT?

Each year our school, in the best tradition of our past, holds a bonfire rally. It is held the night before our Homecoming game. The cheerleaders and song queens get together and go through a few school yells and songs. It has been said that the bonfire rally is supposed to bring us good luck in playing the game. May this be so in years to come!

ORGANIZATIONS

Student Body President

Jennifer Marshall

It has been a wonderful experience serving you as Student Body President.

I truly hope that Student Council has helped to make this year a memorable one for each of you.

This year's activities were all very successful and strongly supported.

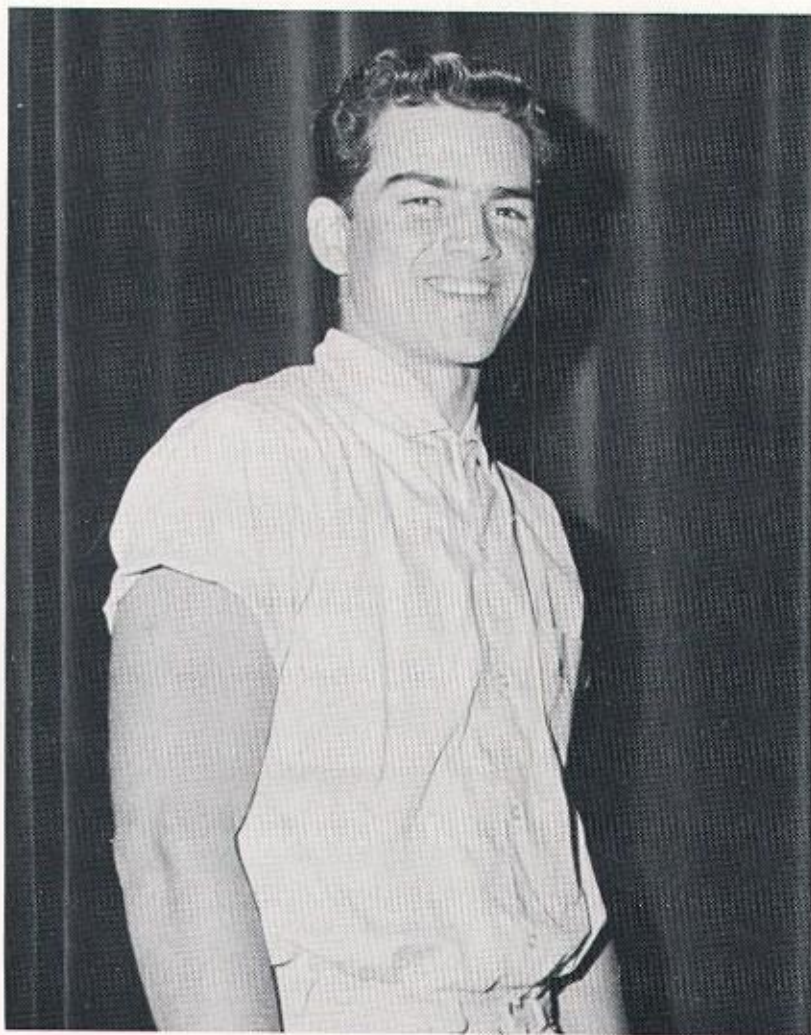

With our new music room, auto shop, and football field, there couldn't be a more beautiful school than ours.

To my fellow classmates, good luck in your future years, and may you always find happiness.

To those of you who will return next year, my best wishes as you complete your high school years. Always remember to respect and be proud of Hoopa High.

May God always bless each and every one of you.

1964 HIGHLIGHTS

When Hoopa edged out Fortuna, it was the first time we had ever beaten a Big Five School.

Hoopa eliminated St. Bernards and Fortuna from taking the championship.

This year's Hoopa team was one of the highest scoring teams in the history of the school.

The 1963-1964 basketball season was one of building and of gaining experience.

The won-lost record didn't indicate the amount of sweat and hard work put into the game by the boys. They were a great bunch of fellows and potential champions.

Having fun working hard for the team was their goal.

To Mike

One of the best friends I've had in a long time. If your mother moves I hope you can stay here for I would really miss you. Who else would tie cans behind ears, and help catch the horses.

Remember all the times we went camping, wrote until this summer (in about three weeks or less) we are going to have a blast. Remember when we shot the squirrel, our almost hit that skunk graduation night. The night Dean, you, and I were camped at Cambel Creek, and that thing or whatever it was crossed below our camp. And everyone hit the bottom of their sleeping bags, what a good scare it was, "Light!"

And when Dave, Dean, you, and me went to Cambel Creek and had sort of a beach party. Singing Wine Wine Wine, Olie water, and Beatie songs, then Dave got sick. We have had a lot of fun, and I hope we can have more. Lots of luck in the future and may we be friends always.
